ГБОУДОД ЦРТДЮ «Центр социализации молодежи»

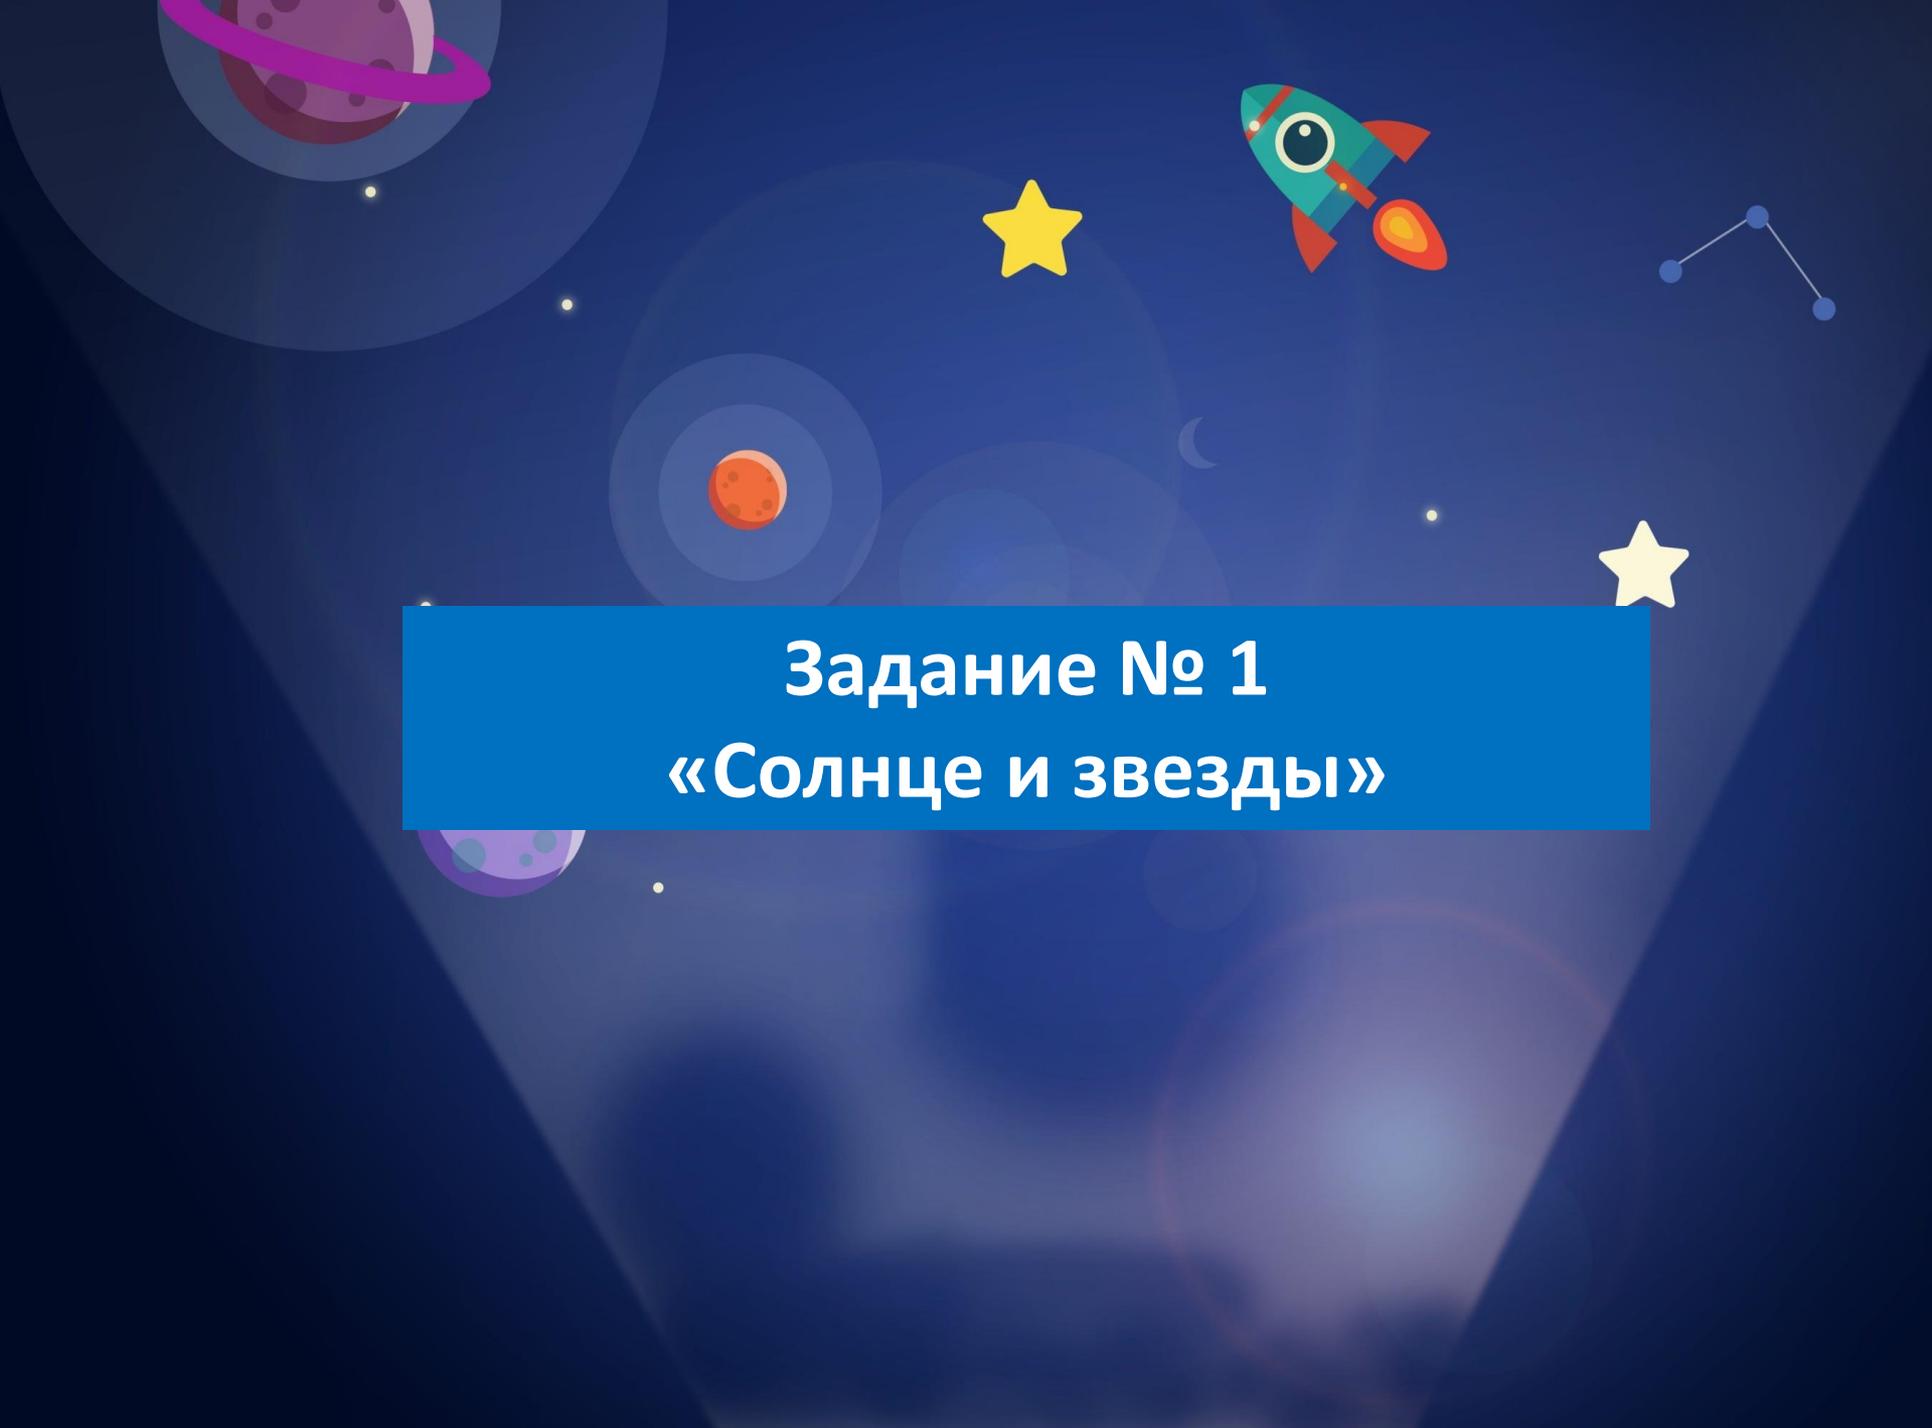

Единый музейный урок,
посвященный дню Космонавтики
«Через тернии к звездам»

12 апреля 2021 г., Самара

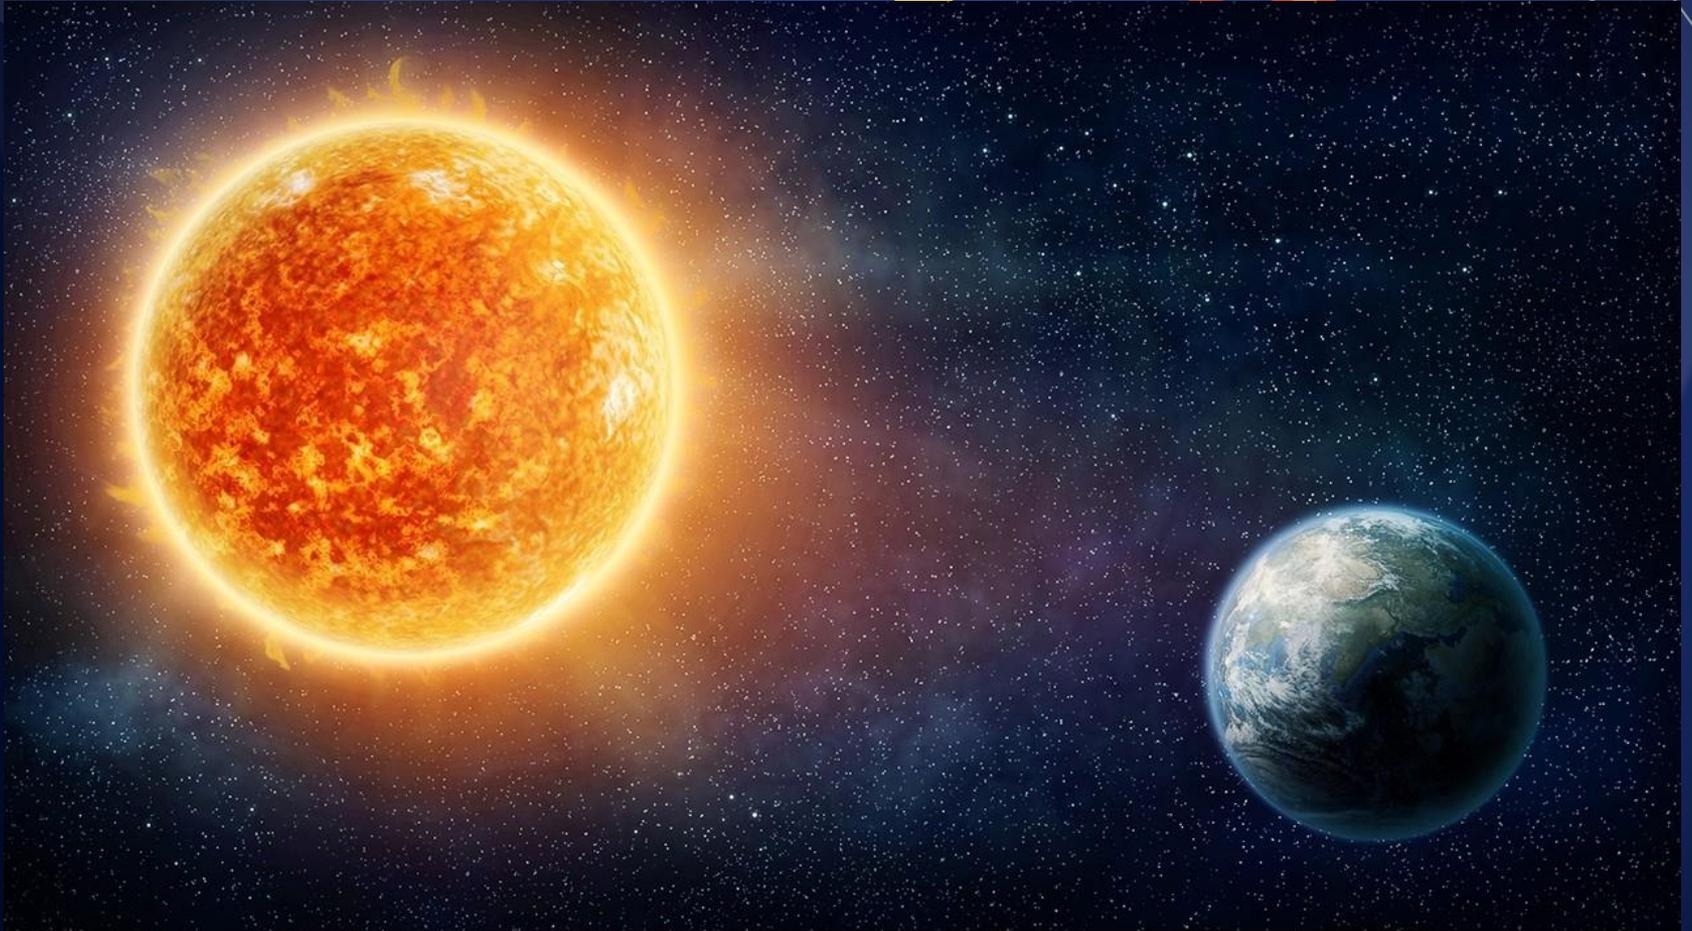

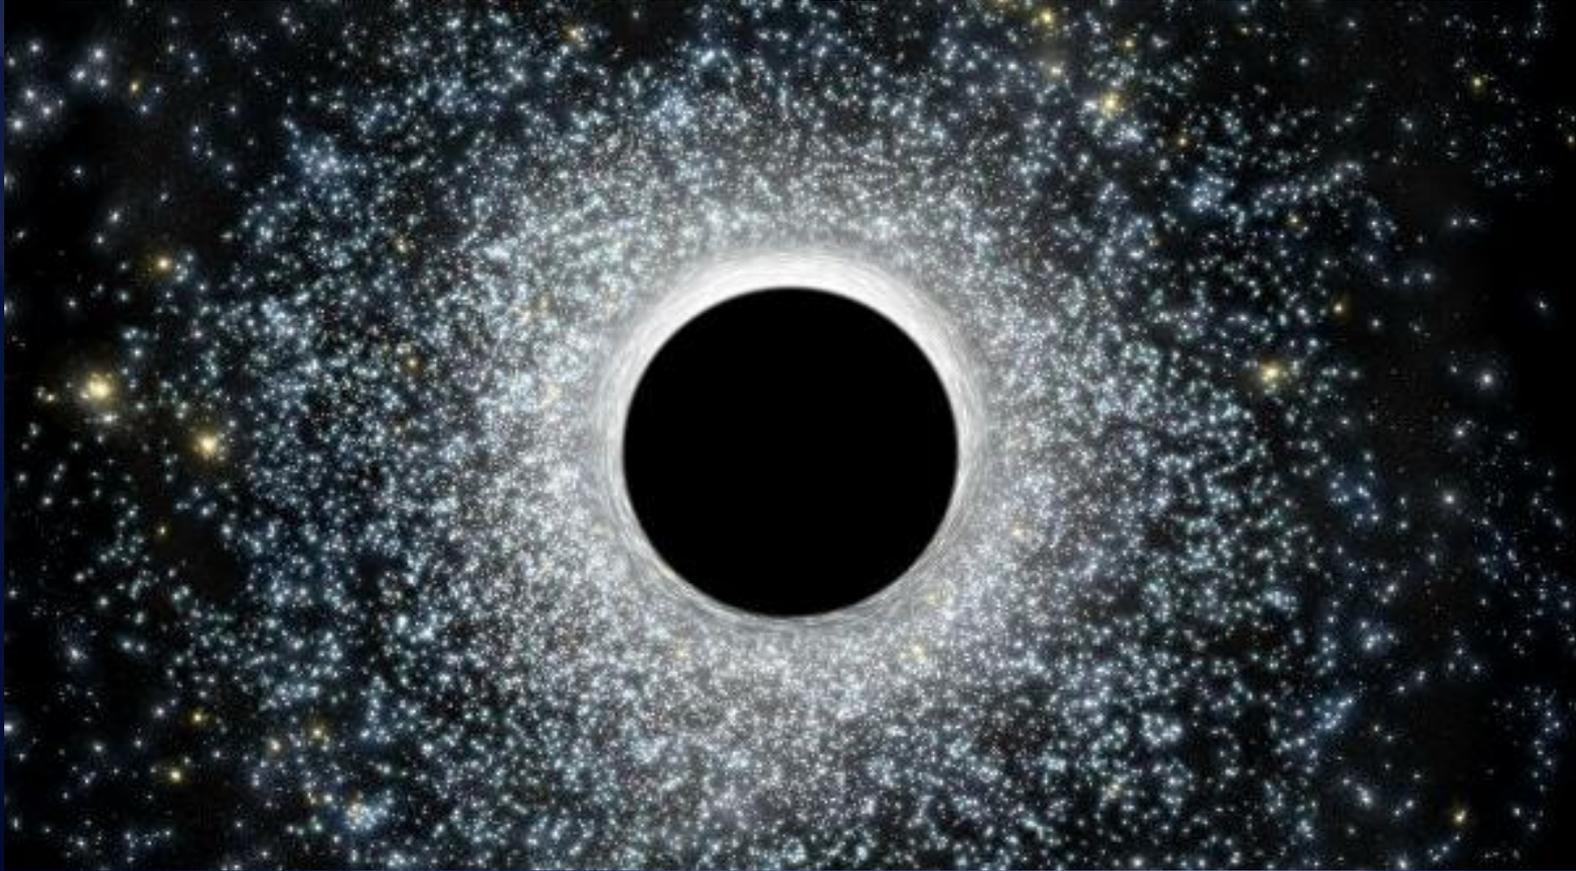

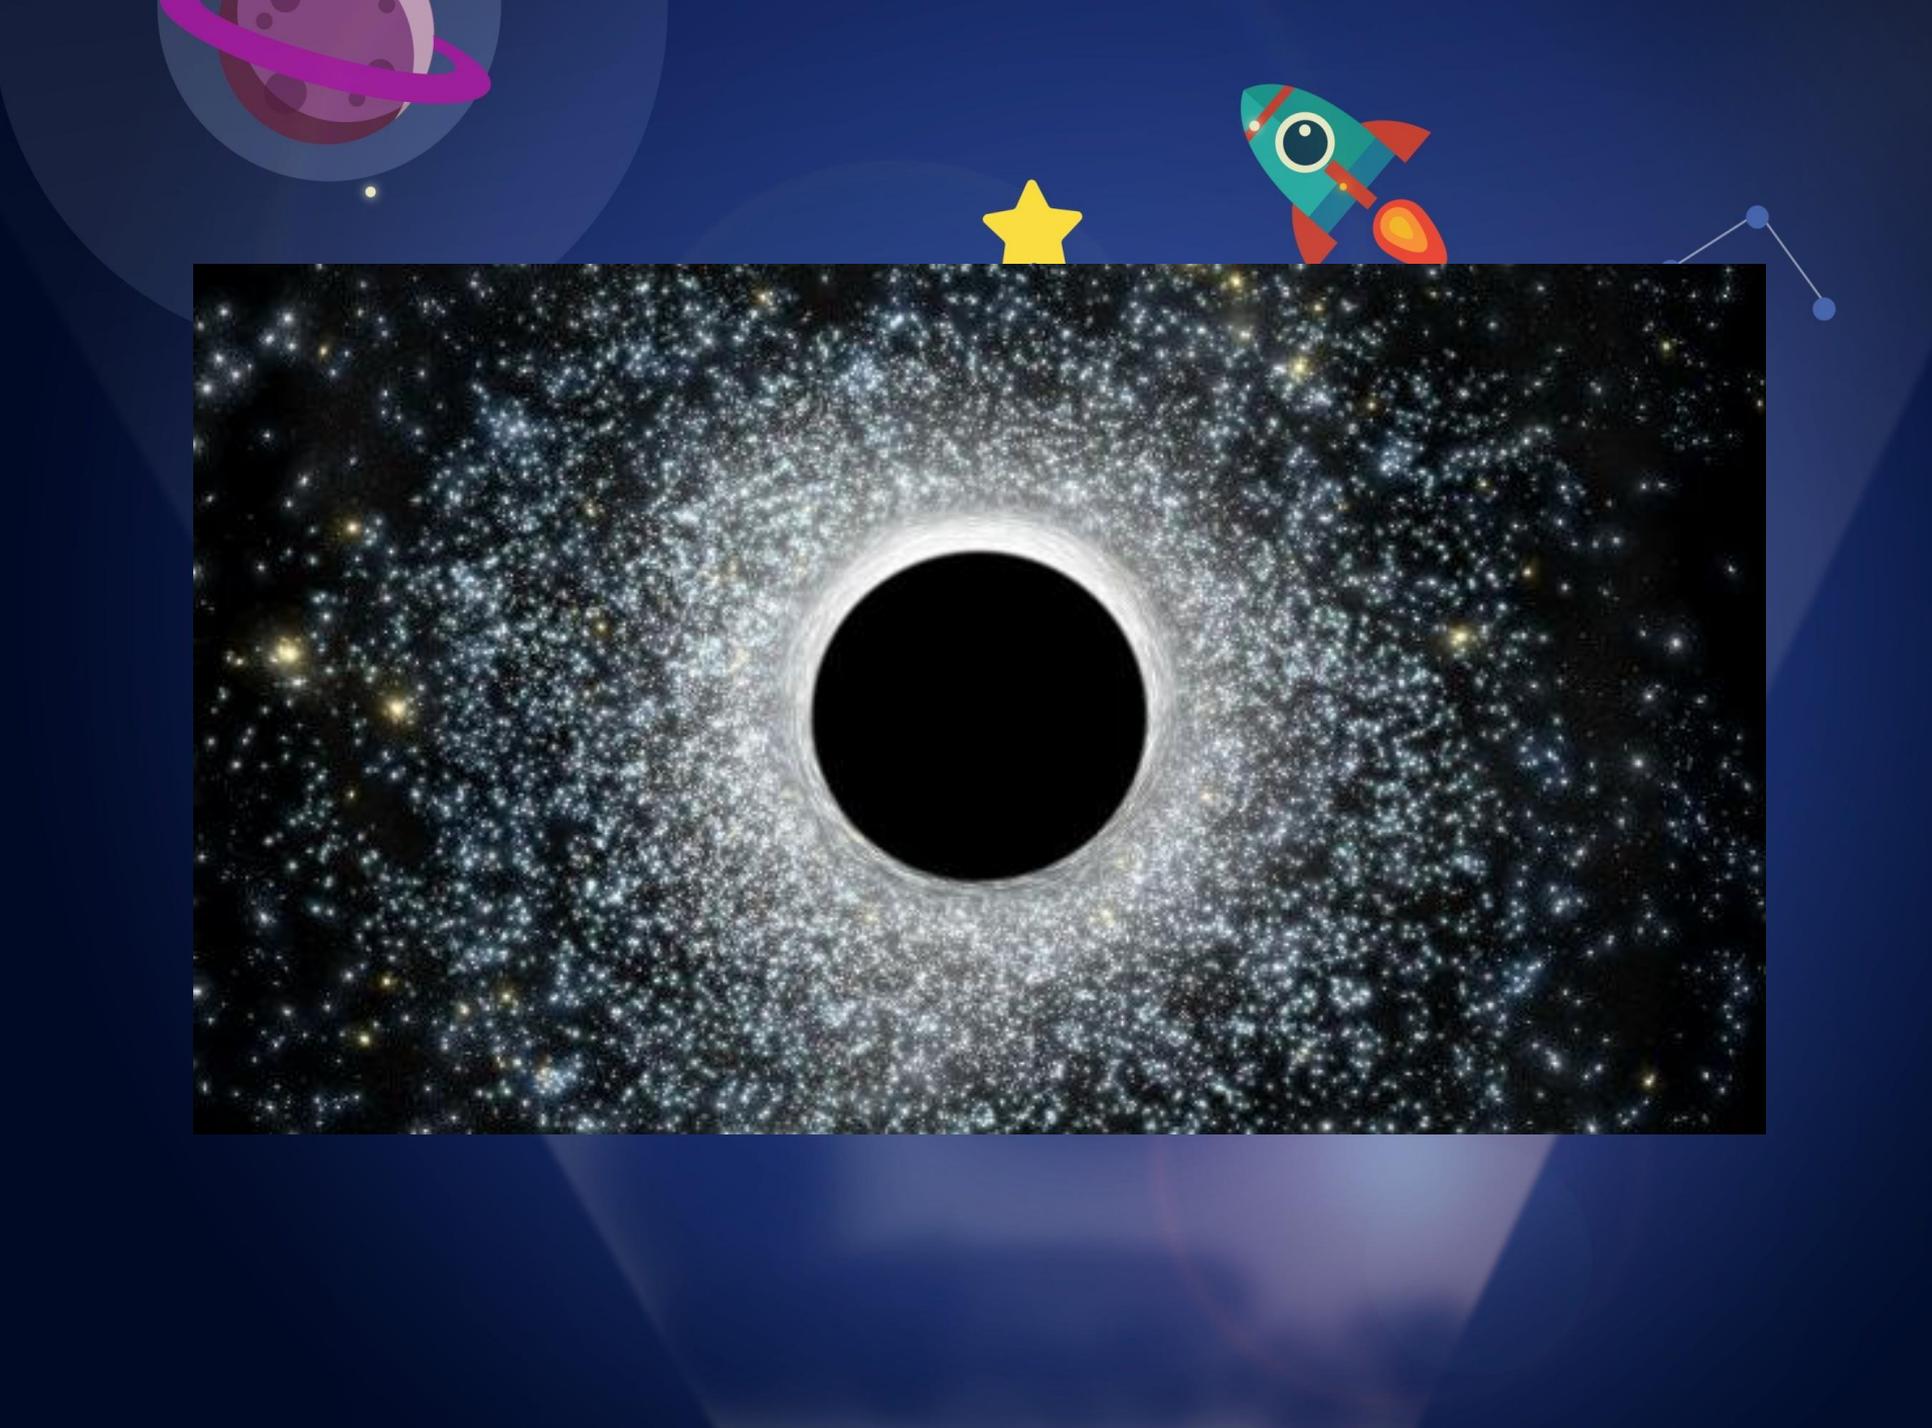

Гагарин Юрий Алексеевич

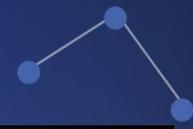

The background is a dark blue space scene. In the top left, there is a purple planet with a pink ring. In the top right, a green and red rocket is flying. A yellow star is in the upper center, and a white star is on the right. A constellation of three blue stars is in the top right. A red planet is in the center, and a crescent moon is to its right. A purple planet is in the bottom left.

Задание № 1
«Солнце и звезды»

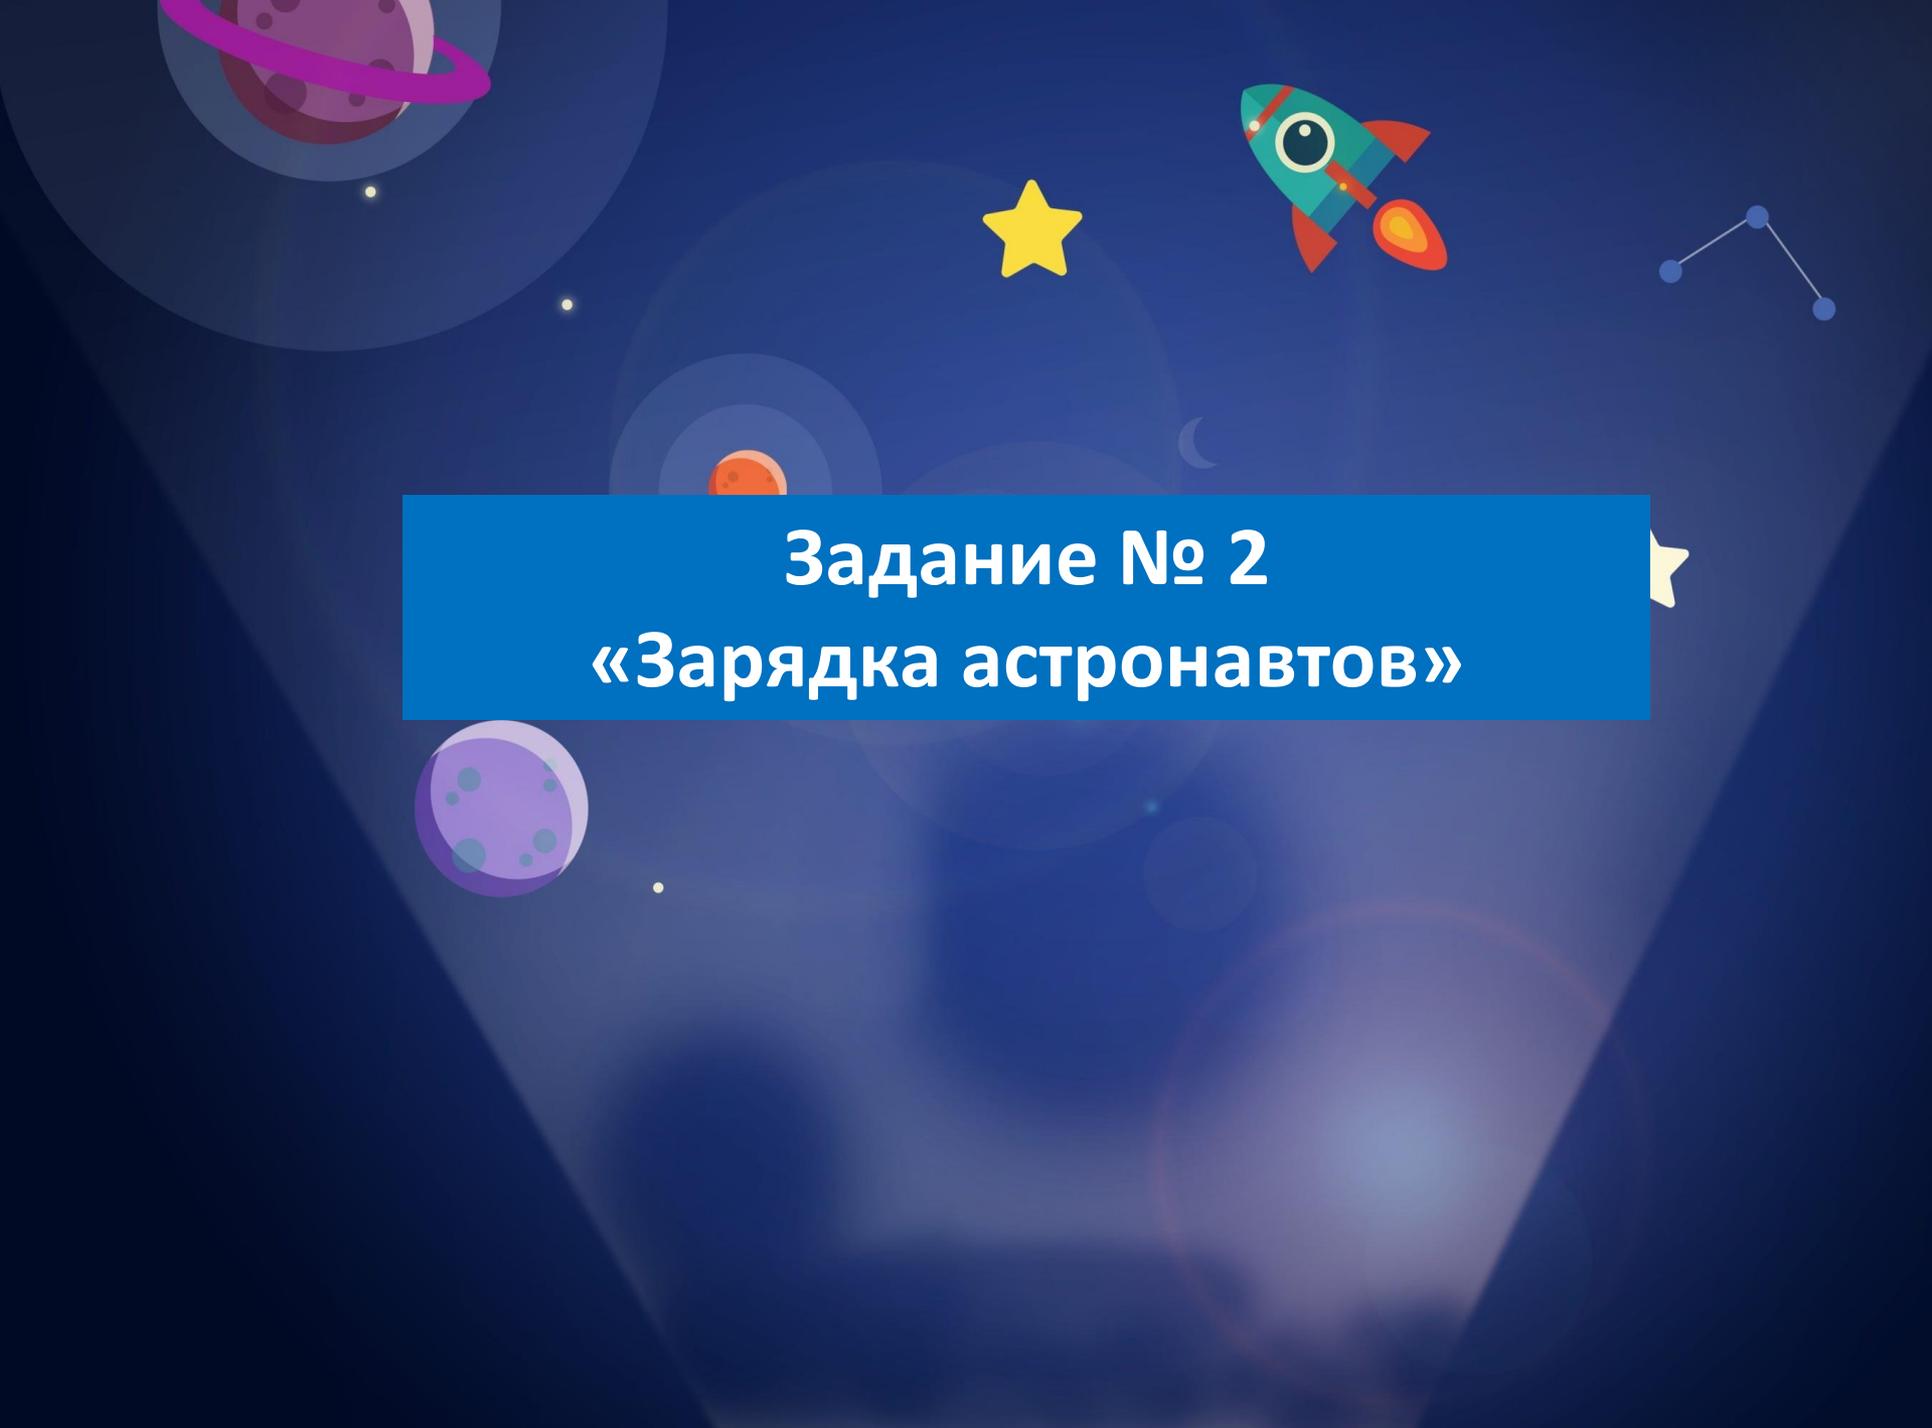

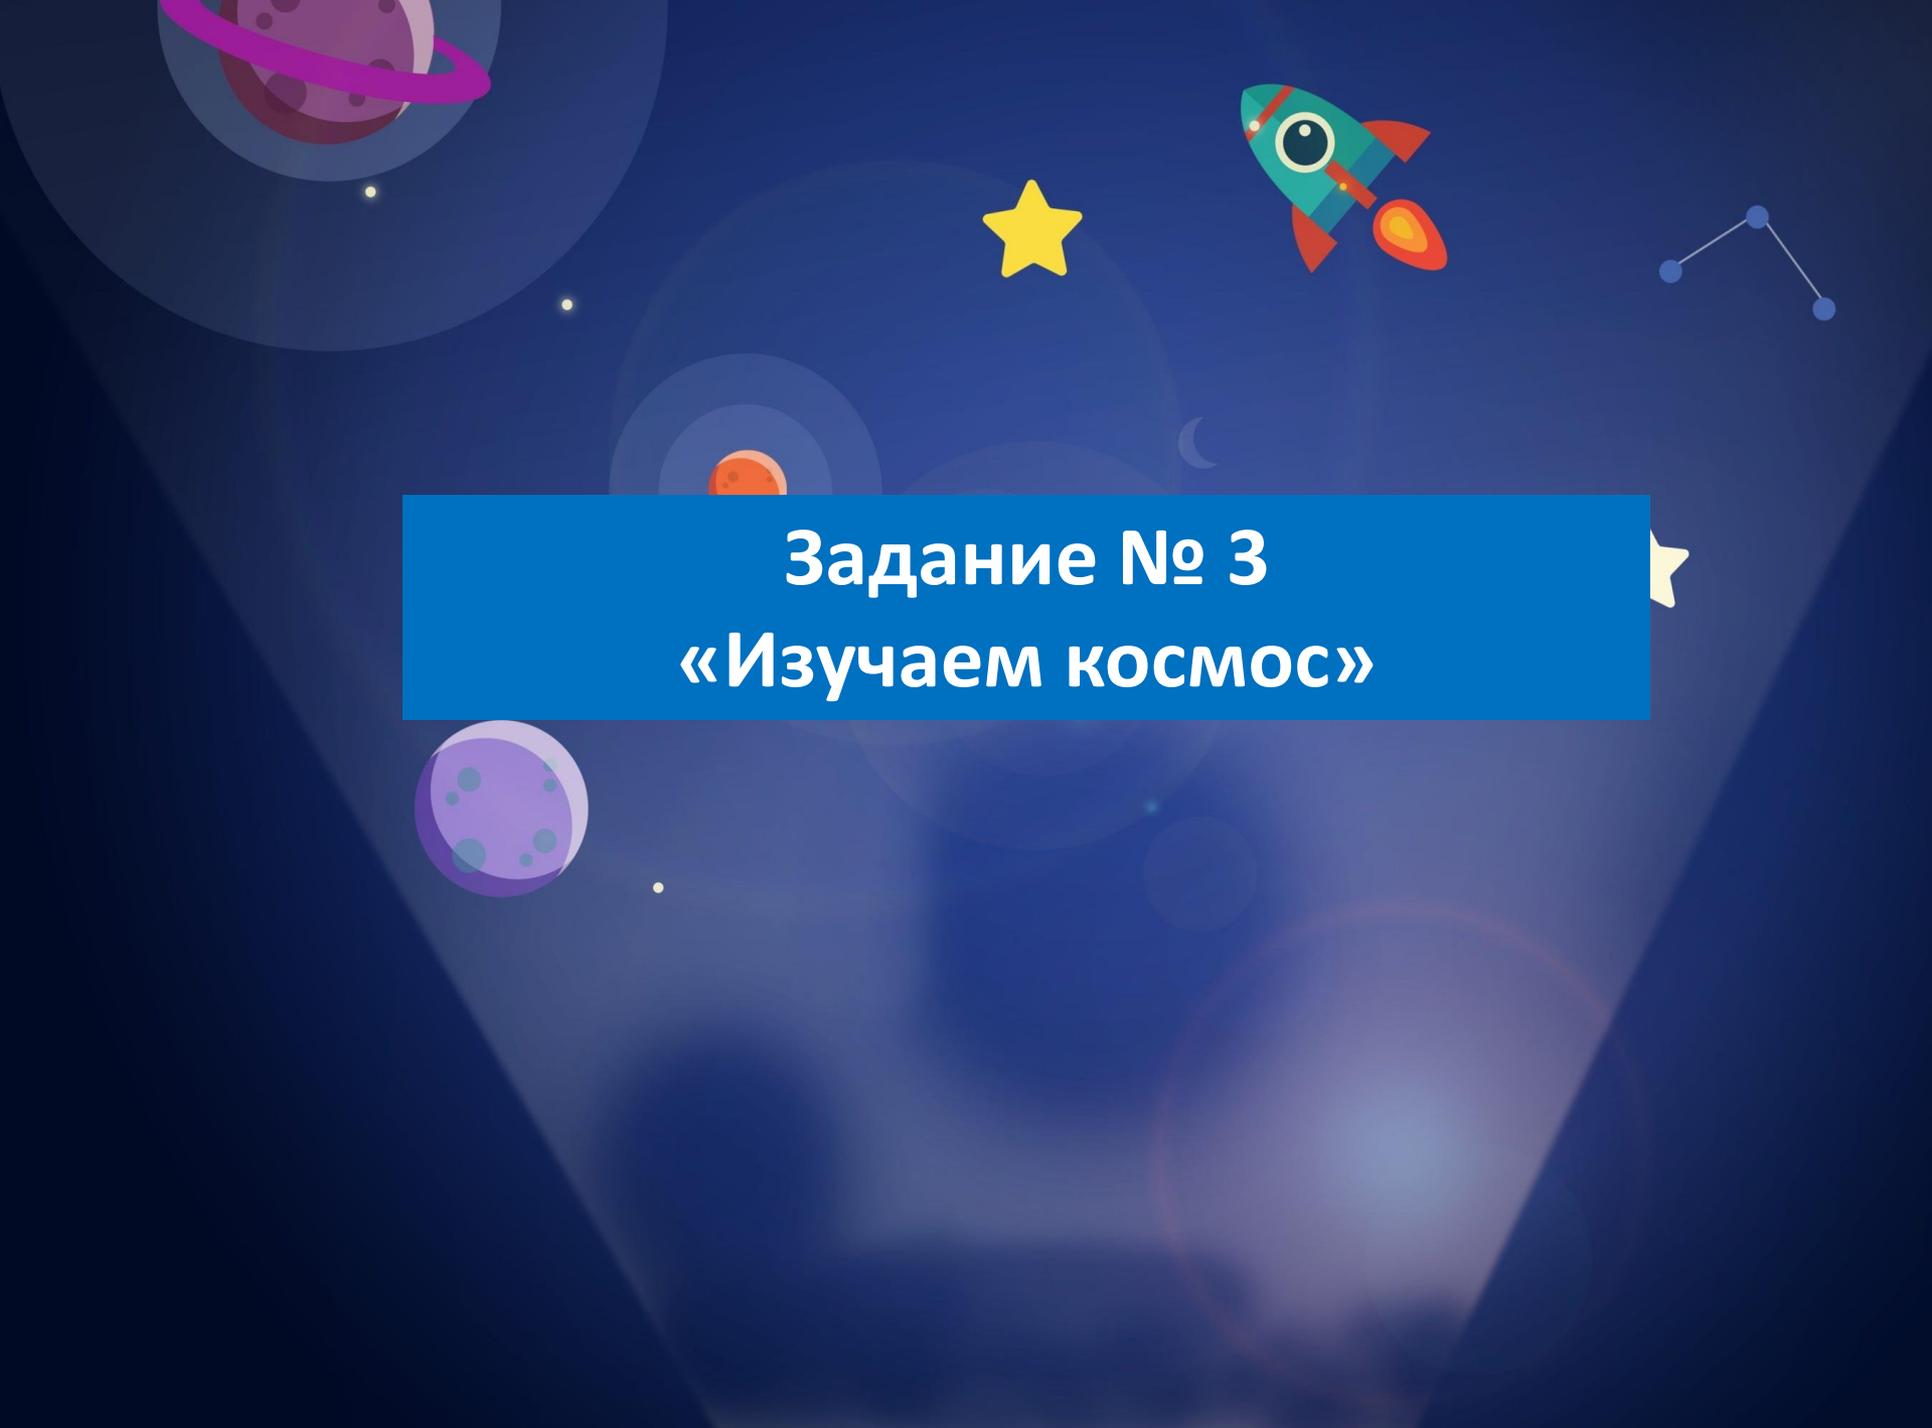

The background is a dark blue space scene. In the top left, there's a planet with a purple ring. In the top right, a green and red rocket is flying. A yellow star is in the upper center. A constellation of three blue dots is on the right. A crescent moon is in the middle. A purple planet with spots is in the bottom left. A small orange planet is in the center. A blue banner with white text is in the middle.

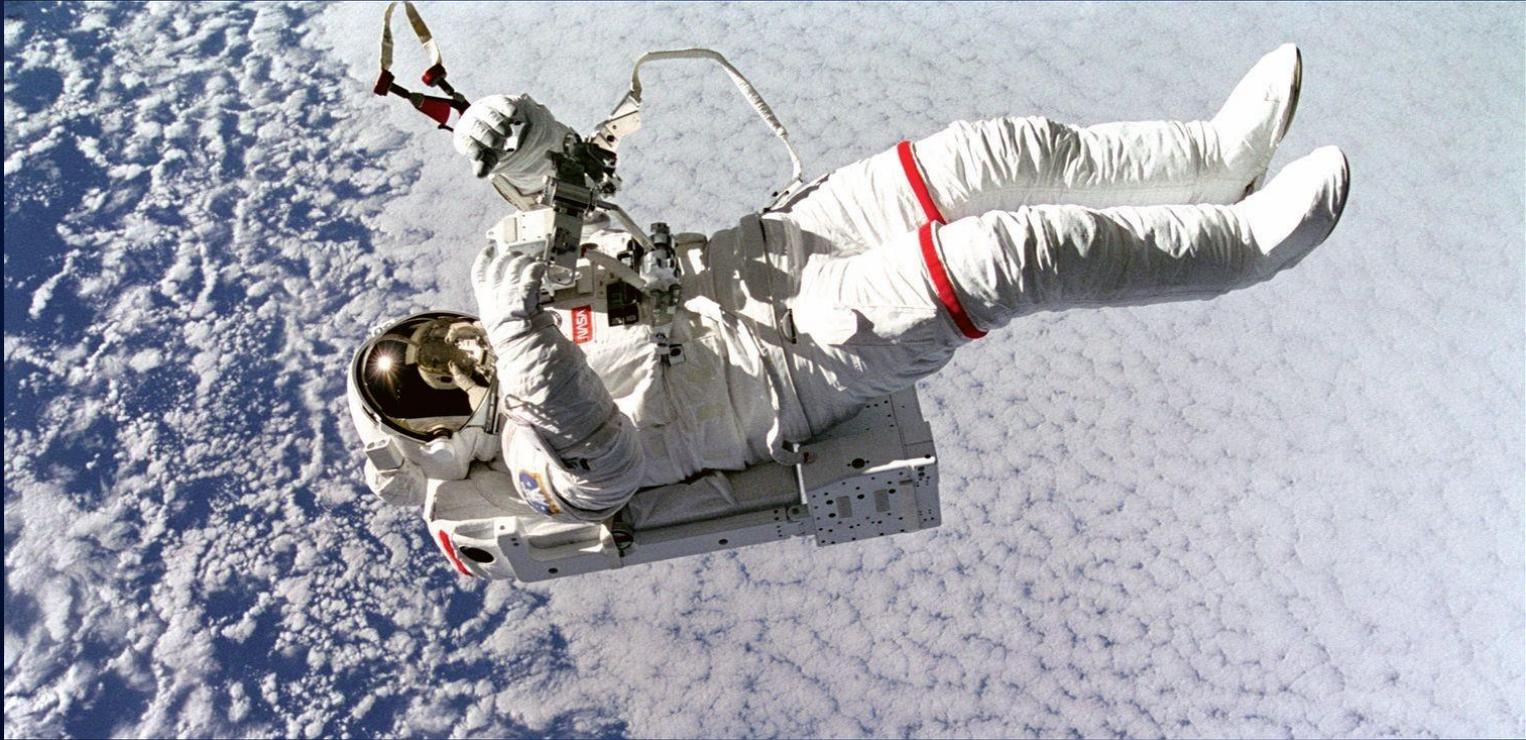

Задание № 2
«Зарядка astronauts»

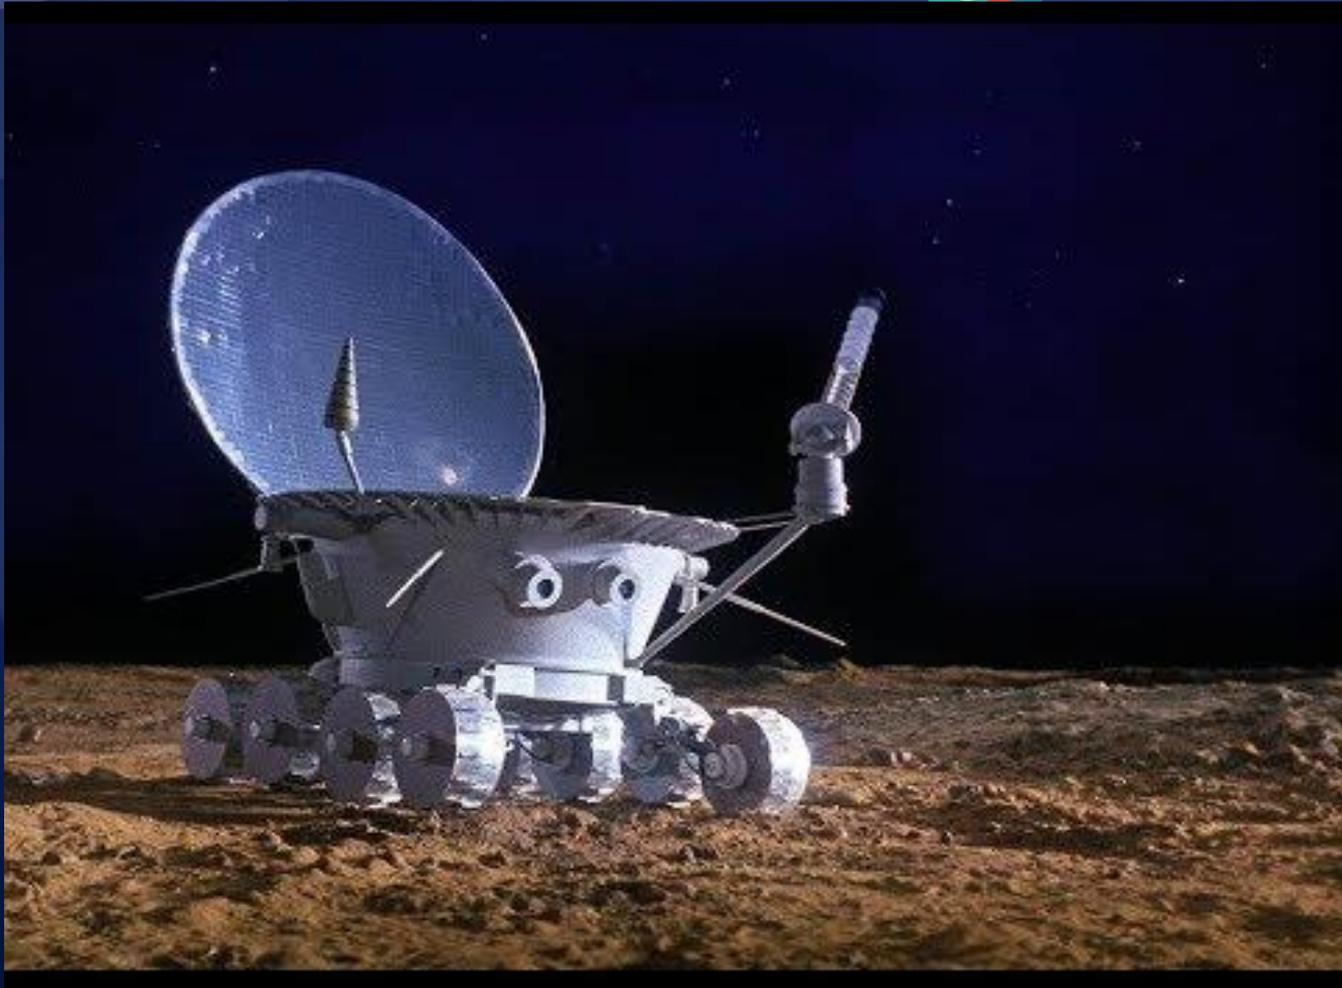

The background is a dark blue space scene. In the top left, there's a planet with a purple ring. In the top right, a green and red rocket is flying. A yellow star is in the upper center.
